# Strip Cutting on Lengthwise Grain Using the Accuquilt GO cutter and strip dies

Cutting across the width of fabric applies to any strip die. Up to a strip length of 20 inches and the entire width of fabric will fanfold across the die not more than 6 times.

For strip lengths longer than 20 inches, the fabric will be folded over before fanfolding across the die and the full width of fabric is too many layers to fanfold across the die without pre-cutting first.

## Strip length x WOF fanfolded onto die

# Strip Cutting on Lengthwise Grain Using the Accuquilt GO cutter and strip dies

	# of strips on the die	Fanfold or cut width to cover die blades	# of strips possible across the width of fabric (40 inches)
Strip Cutter 1" (55052)	7	8"	36
Strip Cutter 1 ½" (55024)	5	8 ½"	23
Strip Cutter 2" (55025)	4	9"	18
Strip Cutter 2 ¼" (55053)	4	10"	16
Strip Cutter 2 ½" (55017)	3	8 ½"	15
Strip Cutter 3 ½" (55032)	2	8"	10-11
Strip Cutter 4 ½" (55054)	2	10"	8-9
