Cutting Instructions

Quilt Fabric Squares	Cut 4 each 6-1/2 inch squares (finished size 6" square)
Setting Triangles	Cut 4 each 6-7/8 inch squares. Each of these squares will be cut in half diagonally from corner to corner. 
Corner Triangles	Cut 1 each 7-1/4 inch square. This square will be cut into quarters by cutting diagonally from corner to corner (see diagram). 

<p>Borders and Binding:</p>	<p>Cut 7 each 2-1/2 inch strips across the width of fabric.</p> <p>For borders, cut 2 each side strips 26 x 2-1/2 inches For top and bottom borders, cut 2 each strips 29-1/2 x 2-1/2 inches.</p> <p>Use remainder of 2-1/2 inch strips to make double fold binding.</p>
<p>Background Squares for Machine Embroidery</p>	<p>Cut 9 each 8-10 inches square. These will be cut to 6-1/2 inch squares after the embroidery is finished.</p>
<p>Coordinating Fabric for Applique Shapes</p>	<p>Select fabric that coordinates with the Quilt Fabric to be used for applique shapes. NOTE: Complete instructions for cutting die shapes is included with the dies, on the AccuQuilt website, and in the Machine Embroidery Instructions.</p>

Quilt Construction

<p>Assemble rows as shown in diagram. When rows are complete, stitch rows together to complete the center square.</p>	
<p>When rows have been stitched into center square, add borders by stitching side borders first, then stitch top borders across.</p>	
<p>Layer quilt top, batting and backing and complete the quilting of your table quilt.</p>	<p>When quilting is complete, trim away excess batting and backing and finish your quilt by binding it with double fold binding.</p>
