Block Assembly Instructions

Square on Point (SOP) Subunits: Stitch a Shape 5 HST to either side of a Shape 6 SOP. Press seams open or to one side. Stitch a Shape 5 HST to the remaining two sides of the Shape 6 SOP as shown. Make 4 SOP subunit.

Flying Geese Subunits: Stitch one Shape 5 HST and one Shape 4 QST together as shown. Press seam open. Stitch a Shape 5 HST to the other side of the Shape 4 QST as shown. Press seam open or to one side. This completes one Flying Geese subunit. Make 4 Flying Geese subunits.

Pinwheel Subunits: Stitch a light and a color Shape 5 HST together as shown to make a finished HST. Press seams open or to one side. Make 4 finished HSTs. Stitch HSTs together into pairs as shown. Make 2 pairs.

Rotate the pairs to make a pinwheel. Stitch pairs together, matching centers. Press seams open or to one side. Make 1 pinwheel.

Rectangle/Flying Geese subunits: Stitch a Shape 8 rectangle to a Flying Geese subunit as shown. Press seams open or to one side. Make 4 rectangle/flying geese subunits.

Top and Bottom Rows of Block: Arrange two SOPs and one Rectangle/Flying Geese subunit as shown to make the top and bottom rows of the block. Stitch the subunits together. Press seams open or to one side. Make two rows—a top row and a bottom row.

Center Row of Block: Arrange two Rectangle/Flying Geese subunits and the Pinwheel subunit as shown to make the center row of the block. Stitch the subunits together. Press seams open or to one side. Make one center row.

Assemble Block: Arrange top, bottom, and center rows as shown. Stitch together, matching subunit seams. Press seams open or to one side.
