Block Assembly Instructions

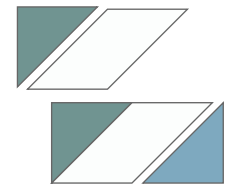

HST Subunits: Stitch a light and a color Shape 5 HST together as shown. Press seams open or to one side. Make 4 light HST subunits, make 8 medium HST subunits, and make 8 dark HST subunits.

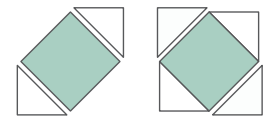

Flying Geese Subunits: Stitch one Shape 5 HST and one Shape 4 QST together as shown. Press seam open or to one side. Stitch a Shape 5 HST to the other side of the Shape 4 QST as shown. Press seam open or to one side. This completes one Flying Geese subunit. Make 4 Flying Geese subunits.

Parallelogram Subunits: Stitch a color Shape 5 HST to the long side of a Shape 7 Parallelogram as shown. Press seams open or to one side. Stitch a color Shape 5 HST to the opposite long side of a Shape 7 Parallelogram as shown. Press seams open or to one side. Make 4 background and 2 colors parallelogram subunits.

Square on Point (SOP) Subunits: Stitch a Shape 5 HST to either side of a Shape 6 SOP. Press seams open or to one side. Stitch a Shape 5 HST to the remaining two sides of the Shape 6 SOP as shown. Make 1 SOP subunit.

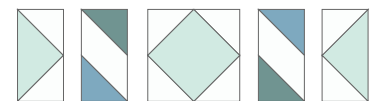

Rows 1, 2, 4, and 5 of the Block: Arrange Shape 5 HSTs and Flying Geese subunits as shown to make Rows 1 and 5 of the block. Stitch the subunits together. Press seams open or to one side.

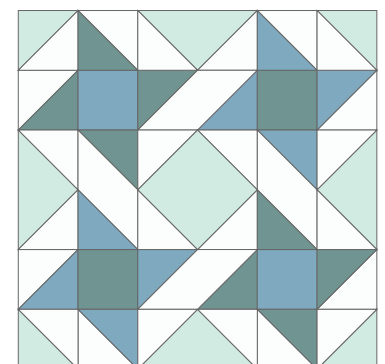

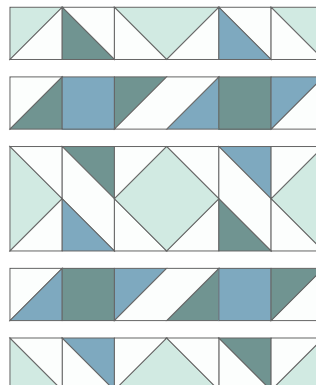

Arrange Shape 5 HSTs, Shape 2 squares, and a Parallelogram subunit as shown to make Rows 2 and 4 of the block. Stitch the subunits together. Press seams open or to one side.

Row 3 of the Block: Arrange Flying Geese subunits, Parallelogram subunits and the SOP as shown to make Row 3 of the block. Stitch the subunits together. Press seams open or to one side.

Assemble Block: Arrange Rows 1-5 as shown. Stitch together, matching subunit seams. Press seams open or to one side.
