Block Assembly Instructions

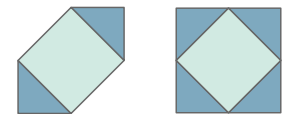

HST with a Square in the Corner Subunit: Stitch the short side of a Shape 5 HST to a Shape 2 square as shown. Press seam open or to one side. Stitch a second Shape 5 HST to the other side of the Shape 2 square to form a HST with a square in the corner. Arrange the HST with a square in the corner with a Shape 3 HST and stitch together to make a HST Square in the Corner Subunit.

Double Flying Geese Subunits: Stitch one Shape 5 HST and one Shape 4 QST together as shown. Press seam open or to one side. Stitch a Shape 5 HST to the other side of the Shape 4 QST as shown. Press seam open or to one side. This completes one Flying Geese subunit. Make 4 Flying Geese Subunits in the first color combination. Repeat with the different color combination to complete 4 more Flying Geese Subunits. Join the Flying Geese Subunits as shown.

Square on Point (SOP) Subunits: Stitch a Shape 5 HST to either side of a Shape 6 SOP. Press seams open or to one side. Stitch a Shape 5 HST to the remaining two sides of the Shape 6 SOP as shown. Make 1 SOP subunit.

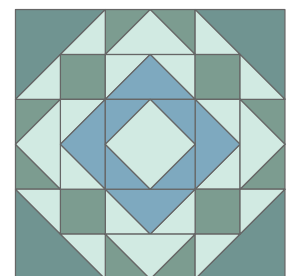

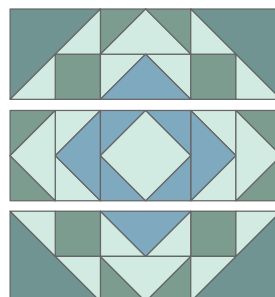

Top and Bottom Rows of Block: Arrange HST and Flying Geese subunits as shown to make the top and bottom rows of the block. Stitch the units together. Press seams open or to one side. Make two rows—a top row and a bottom row.

Row 2 of the Block: Arrange Flying Geese subunits and the SOP as shown to make Row 2 of the block. Stitch the subunits together. Press seams open or to one side.

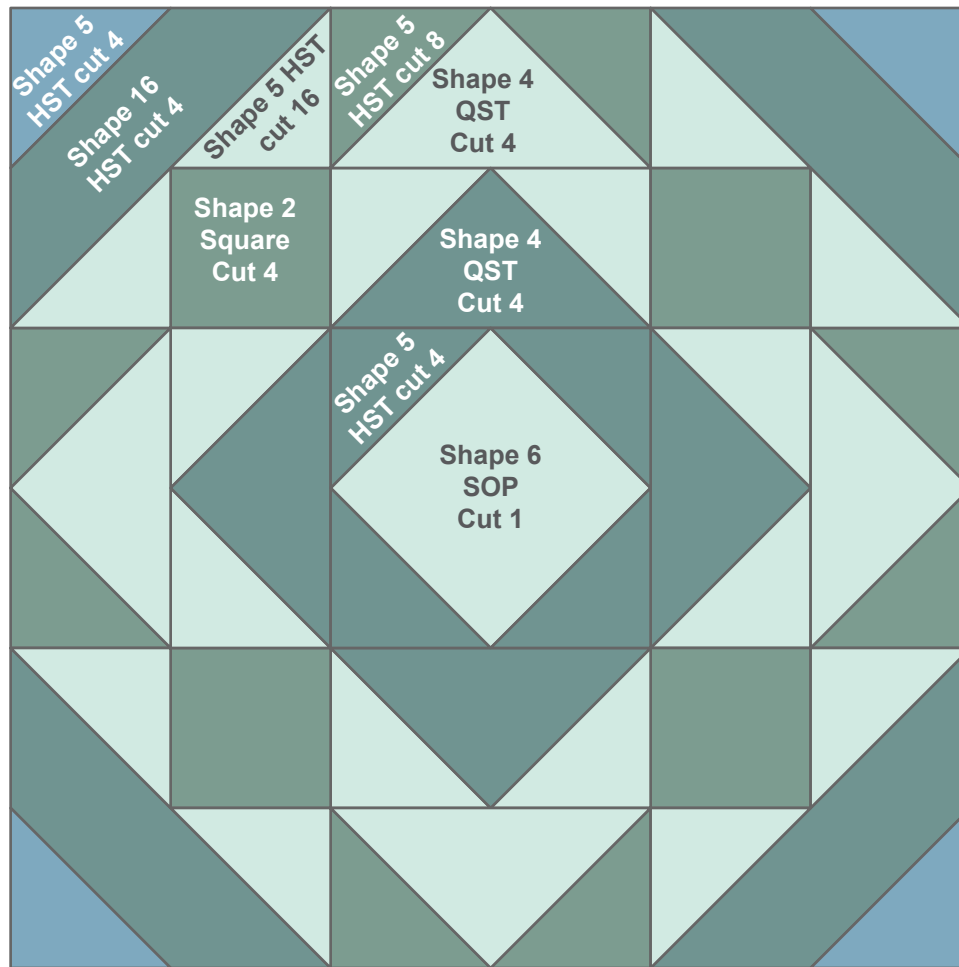

Assemble Block: Arrange top, bottom, and center rows as shown. Stitch together, matching subunit seams. Press seams open or to one side.
