Six-Patch Qube Workout Sampler

Block 6 Quarter Square Quest #1

Mix & Match Qube

Cutting Instructions

Shape 1 = Square
 Shape 2 = Square
 Shape 3 = Half Square Triangle (HST)
 Shape 4 = Quarter Square Triangle (QST)
 Shape 5 = HST
 Shape 6 = Square on Point (SOP)
 Shape 7 = Parallelogram
 Shape 8 = Rectangle

Shape 9 = Chisel
 Shape 10 = Signature Block
 Shape 11.1 = Bowtie
 Shape 12.1 = HST for Bowtie
 Shape 13 = Triangles in Square - Center
 Shape 14 = Triangles in Square - Sides
 Shape 15 = Kite - Center
 Shape 16 = Trapezoid

Six-Patch Qube Workout Sampler

Block 6 Quarter Square Quest #1

Mix & Match Qube

Block Assembly Instructions

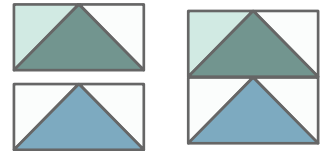

HST Subunits: Stitch a light and a color Shape 5 HST together as shown. Press seams open or to one side. Make 12 HST subunits.

Flying Geese Subunits: Stitch one Shape 5 HST and one Shape 4 QST together as shown. Press seam open. Stitch a Shape 5 HST to the other side of the Shape 4 QST as shown. Press seam open or to one side. This completes one Flying Geese subunit. Make 4 Flying Geese subunits.

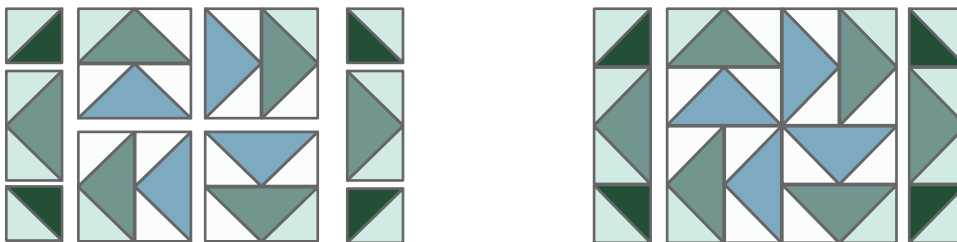

Double Flying Geese Subunits (Make 2 different Flying Geese subunits): Stitch one Shape 5 HST and one Shape 4 QST together as shown. Press seam open or to one side. Stitch a Shape 5 HST to the other side of the Shape 4 QST as shown. Press seam open or to one side. This completes one Flying Geese subunit. Make 4 Flying Geese Subunits in the first color combination. Repeat with the second color combination to make 4 more Flying Geese Subunits. Join the Flying Geese Subunits as shown.

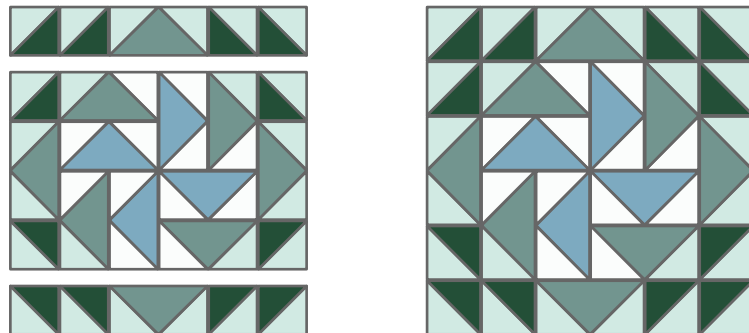

Top and Bottom Rows of Block: Arrange HST and Flying Geese subunits as shown to make the top and bottom rows of the block. Stitch the units together. Press seams open or to one side. Make two rows—a top row and a bottom row.

Center Block Section: Arrange Flying Geese subunits, Double Flying Geese subunits and the HSTs as shown to make the center of the block. Stitch the subunits together. Press seams open or to one side.

Assemble Block: Arrange top, bottom, and center rows as shown. Stitch together, matching subunit seams. Press seams open or to one side.

Block 6 Quarter Square Quest #1

Mix & Match Angles Companion Qube

Cutting Instructions

Shape 1 = Square
 Shape 2 = Square
 Shape 3 = Half Square Triangle (HST)
 Shape 4 = Quarter Square Triangle (QST)
 Shape 5 = HST
 Shape 6 = Square on Point (SOP)
 Shape 7 = Parallelogram
 Shape 8 = Rectangle

Shape 9 = Chisel
 Shape 10 = Signature Block
 Shape 11.1 = Bowtie
 Shape 12.1 = HST for Bowtie
 Shape 13 = Triangles in Square - Center
 Shape 14 = Triangles in Square - Sides
 Shape 15 = Kite - Center
 Shape 16 = Trapezoid

Six-Patch Qube Workout Sampler

Block 6 Quarter Square Quest #1

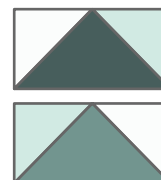

Mix & Match Angles Companion Qube

Block Assembly Instructions

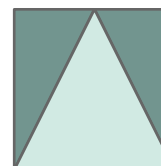

HST Subunits: Stitch a light and a color Shape 5 HST together as shown. Press seams open or to one side. Make 4 HST subunits.

Flying Geese Subunits: Stitch one Shape 5 HST and one Shape 4 QST together as shown. Press seam open. Stitch a Shape 5 HST to the other side of the Shape 4 QST as shown making sure color placement is opposite on either side of the QST. Press seam open or to one side. This completes one Flying Geese subunit. Make 4 Flying Geese subunits in each color combination for a total of 8 Flying Geese subunits.

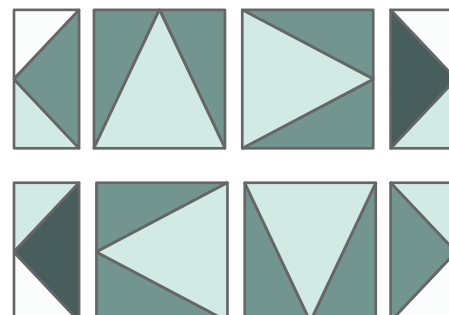

Triangle in a Square Units: Stitch a Shape 14 TIS-Side to a Shape 13 TIS-Center as shown. Press seams open or to one side. Stitch a Shape 14 TIS-Side to the opposite side of the TIS-Center as shown. Press seam open or to one side. Make 4 TIS units.

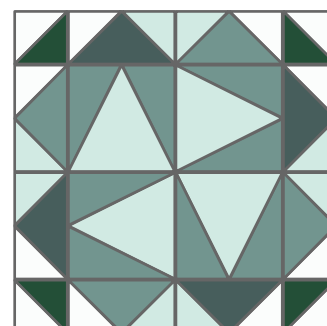

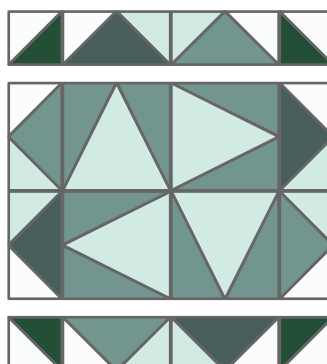

Top and Bottom Rows of Block: Arrange HST and Flying Geese subunits as shown to make the top and bottom rows of the block. Stitch the subunits together. Press seams open or to one side. Make two rows—a top row and a bottom row.

Rows 3 and 4 (center) of Block: Arrange Flying Geese subunits and Triangle in a Square subunits as shown to make rows 3 and 4 of the block. Stitch the subunits together into 2 rows. Stitch the rows together matching subunit seams.

Assemble Block: Arrange top, bottom, and center rows as shown. Stitch together, matching subunit seams. Press seams open or to one side.

Block 6 Quarter Square Quest #1

Mix & Match Corners Companion Qube

Block Assembly Instructions

HST Subunits: Stitch a light and a color Shape 5 HST together as shown. Press seams open or to one side. Make 4 HST subunits.

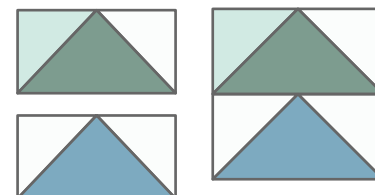

Chisel Subunits: Fanfold fabric for cutting chisel shapes so that the shapes are mirror images. Stitch a Shape 5 HST and a Shape 9 Chisel together as shown to make a finished Chisel subunit. Press seams open or to one side. Make 4 finished chisel subunits.

Flying Geese Subunits: Stitch one Shape 5 HST and one Shape 4 QST together as shown. Press seam open. Stitch a Shape 5 HST to the other side of the Shape 4 QST as shown. Press seam open or to one side. This completes one Flying Geese subunit. Make 4 Flying Geese subunits.

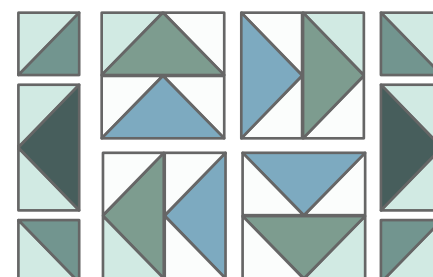

Double Flying Geese Subunits (make two different Flying Geese subunits): Stitch one Shape 5 HST and one Shape 4 QST together as shown. Press seam open or to one side. Stitch a Shape 5 HST to the other side of the Shape 4 QST as shown. Press seam open or to one side. This completes one Flying Geese subunit. Make 4 Flying Geese Subunits in the first color combination. Repeat with the second color combination to make 4 more Flying Geese Subunits. Join the Flying Geese Subunits as shown.

Top and Bottom Rows of Block: Arrange Chisel and Flying Geese subunits as shown to make the top and bottom rows of the block. Stitch the subunits together. Press seams open or to one side. Make two rows—a top row and a bottom row.

Center Row of Block: Arrange Flying Geese, HST and Double Flying Geese subunits to make center row of the block. Stitch the subunits together. Press seams open or to one side. Make one center row.

Assemble Block: Arrange Rows 1-3 as shown. Stitch together, matching subunit seams. Press seams open or to one side.
