Block 8 Castle Wall

Mix & Match Qube

Cutting Instructions

Shape 1 = Square
 Shape 2 = Square
 Shape 3 = Half Square Triangle (HST)
 Shape 4 = Quarter Square Triangle (QST)
 Shape 5 = HST
 Shape 6 = Square on Point (SOP)
 Shape 7 = Parallelogram
 Shape 8 = Rectangle

Shape 9 = Chisel
 Shape 10 = Signature Block
 Shape 11.1 = Bowtie
 Shape 12.1 = HST for Bowtie
 Shape 13 = Triangles in Square - Center
 Shape 14 = Triangles in Square - Sides
 Shape 15 = Kite - Center
 Shape 16 = Trapezoid

Block Assembly Instructions

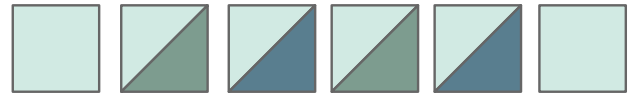

HST Subunits: Stitch a light and a color Shape 5 HST together as shown. Press seams open or to one side. Make 10 HST subunits in first color combination and 10 HST subunits in the second color combination.

Square on Point (SOP) Subunits: Stitch a Shape 5 HST to either side of a Shape 6 SOP. Press seams open or to one side. Stitch a Shape 5 HST to the remaining two sides of the Shape 6 SOP as shown. Make 1 SOP subunit.

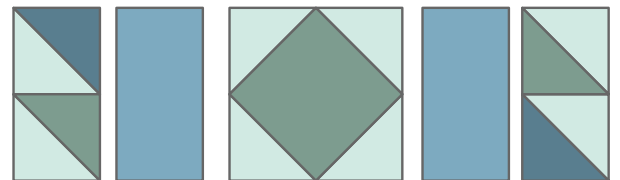

Rows 1 and 5 of Block: Arrange Shape 5 HSTs and Shape 2 Square subunits as shown to make the top and bottom rows of the block. Stitch the units together. Press seams open or to one side. Make two rows—a top row and a bottom row.

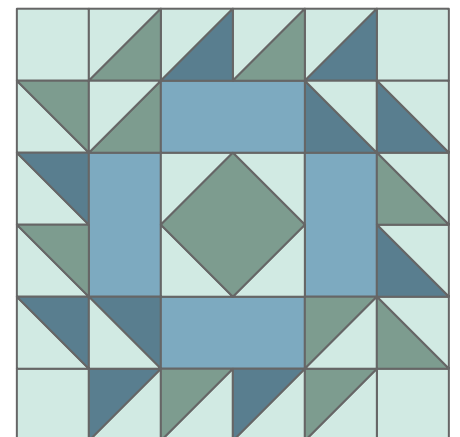

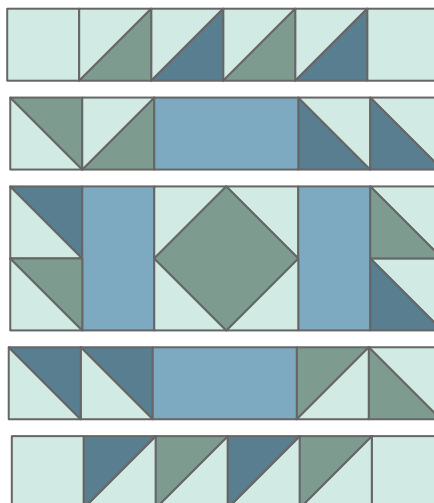

Rows 2 and 4 of Block: Arrange Shape 5 HSTs and Shape 8 Rectangle as shown to make rows 2 and 4 of the block. Stitch the units together. Press seams open or to one side. Make two rows—row 2 and row 4.

Center Block Section: Arrange Shape 5 HSTs and stitch together as shown to make the side subunits of the center of the block. Arrange the Shape 5 HST subunits, Shape 8 rectangles, and the SOP subunit together as shown. Stitch the subunits together. Press seams open or to one side.

Assemble Block: Arrange Rows 1 through 5 as shown. Stitch together, matching subunit seams. Press seams open or to one side.

Block Assembly Instructions

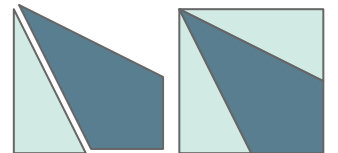

HST Subunits: Stitch a light and a color Shape 5 HST together as shown. Press seams open or to one side. Make 4 HST subunits in first color combination and 4 HST subunits in the second color combination.

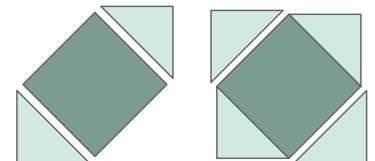

HST-Rectangle Subunits: Stitch Shape 5 HSTs together as shown. Make 2 HST subunits in the first color combination and 2 HST subunits in the second color combination. Stitch a Shape 8 rectangle to each HST subunit as shown. Make four HST-Rectangle subunits. Press seams open or to one side. Make 4 HST-Rectangle subunits.

Kite Subunits: Stitch a light Shape 14 TIS Side to a dark Shape 15 Kite as shown. Press seams open or to one side. Stitch a Shape 14 TIS Side to the remaining side of the Shape 15 Kite. Press seam open or to one side. Make 4 Kite subunits.

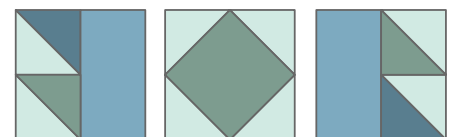

Square on Point (SOP) Subunits: Stitch a Shape 5 HST to either side of a Shape 6 SOP. Press seams open or to one side. Stitch a Shape 5 HST to the remaining two sides of the Shape 6 SOP as shown. Make 1 SOP subunit.

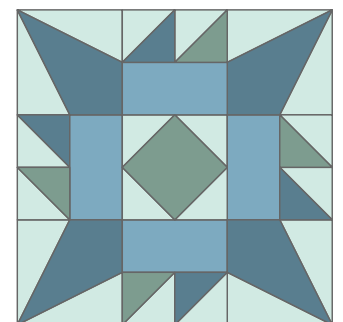

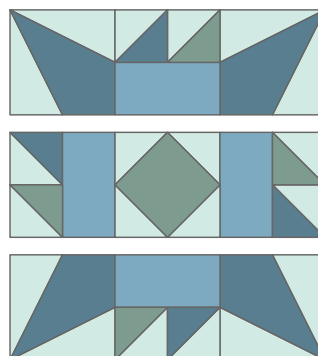

Top and Bottom Rows of Block: Arrange HST-Rectangle and Kite subunits as shown to make the top and bottom rows of the block. Stitch the subunits together. Press seams open or to one side. Make two rows—a top row and a bottom row.

Center Row of Block: Arrange HST-Rectangle and SOP subunits as shown to make the center row of the block. Stitch the subunits together. Press seams open or to one side. Make one center row.

Assemble Block: Arrange top, bottom, and center rows as shown. Stitch together, matching subunit seams. Press seams open or to one side.

Block Assembly Instructions

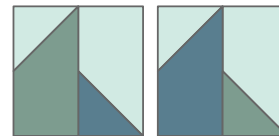

Corner Chisel Subunits: Do not fanfold fabric for cutting chisel shapes. Layer fabric on die so that the points and the right side of fabric are facing in the same direction as the image of the quilt block. Stitch a Shape 5 HST and a Shape 9 Chisel together as shown to make a finished Chisel subunit. Make two chisels with the first color combination and make two chisels with the second color combination. Press seams open or to one side. Make 4 finished chisel subunits.

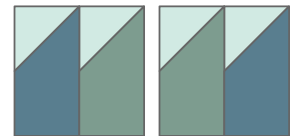

Chisel Subunits: Do not fanfold fabric for cutting chisel shapes. Layer fabric on die so that the points and the right side of fabric are facing in the same direction as the image of the quilt block. Stitch a Shape 5 HST and a Shape 9 Chisel together as shown to make a finished Chisel subunit. Make four chisels with the first color combination and make four chisels with the second color combination. Press seams open or to one side. Make 4 finished chisel subunits.

Stitch chisel subunits together as shown to make two corner chisel units in each color combination and two side chisel units in each color combination. Press seams open or to one side.

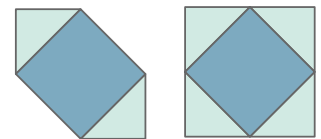

Make 2 of each corner chisel unit.

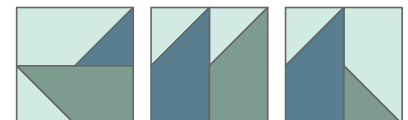

Make 2 of each side chisel unit.

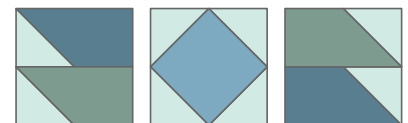

Square on Point (SOP) Subunits: Stitch a Shape 5 HST to either side of a Shape 6 SOP. Press seams open or to one side. Stitch a Shape 5 HST to the remaining two sides of the Shape 6 SOP as shown. Make 1 SOP subunit.

Top and Bottom Rows of Block: Arrange Chisel subunits as shown to make the top and bottom rows of the block. Stitch the subunits together. Press seams open or to one side. Make two rows—a top row and a bottom row.

Center Row of Block: Arrange Chisels and SOP subunits to make center row of the block. Stitch the subunits together. Press seams open or to one side. Make one center row.

Assemble Block: Arrange Rows 1-3 as shown. Stitch together, matching sub-unit seams. Press seams open or to one side.
