Six-Patch Qube Workout Sampler

Block 11 Triangle Tesselation

Mix & Match Qube

Cutting Instructions

Shape 7 Parallelogram is a directional cut

Shape 1 = Square
 Shape 2 = Square
 Shape 3 = Half Square Triangle (HST)
 Shape 4 = Quarter Square Triangle (QST)
 Shape 5 = HST
 Shape 6 = Square on Point (SOP)
 Shape 7 = Parallelogram
 Shape 8 = Rectangle

Shape 9 = Chisel
 Shape 10 = Signature Block
 Shape 11.1 = Bowtie
 Shape 12.1 = HST for Bowtie
 Shape 13 = Triangles in Square - Center
 Shape 14 = Triangles in Square - Sides
 Shape 15 = Kite - Center
 Shape 16 = Trapezoid

Block 11 Triangle Tesselation

Mix & Match Qube

Block Assembly Instructions

HST Subunits: Stitch a light and a color Shape 5 HST together as shown. Press seams open or to one side. Make 12 HSTs in the color combination shown.

Four-Patch Subunits: Layout a dark Shape 2 Square, a medium Shape 2 square and 2 HSTs as shown. Stitch square and HSTs together and then stitch the square-HST subunits together, matching seams. Press seams open or to one side. Make 4 four-patch subunits.

Parallelogram Subunits: Stitch a light Shape 5 HST to the long side of a Shape 7 Parallelogram as shown. Press seams open or to one side. Stitch a light Shape 5 HST to the opposite long side of a Shape 7 Parallelogram as shown. Press seams open or to one side. Repeat this in the mirror image second colorway as shown. Make 4 parallelogram subunits in the first colorway. Make 4 parallelogram subunits in the second mirror image colorway.

Block Quarter Subunit: Arrange Parallelograms, HST and Four Patch subunits as shown. Stitch the dark Parallelogram and Four Patch subunit together. Stitch HST and medium Parallelogram subunits together. Press seams open or to one side. Stitch the two units together into the quarter block matching subunit seams as shown. Make four quarters exactly alike. Press seams open or to one side.

Assemble Block: Arrange the block quarters as shown. Stitch two quarters together to make two rows of the block. Stitch the two rows together, matching subunits, into a completed block. Press seams open or to one side.

Block Assembly Instructions

HST Subunits: Stitch a light and a color Shape 5 HST together as shown. Press seams open or to one side. Make 12 HSTs in the color combination shown.

Four-Patch Subunits: Layout a dark Shape 2 Square, a medium Shape 2 square and 2 HSTs as shown. Stitch square and HSTs together and then stitch the square-HST subunits together, matching seams. Press seams open or to one side. Make 4 four-patch subunits.

Triangle in a Square Sides subunits: Stitch a light and a dark Shape 14 TIS-side triangles together as shown. Make 4 TIS-side dark triangle subunits. Stitch a light and a medium Shape 14 TIS-side triangles together as shown. Make 4 TIS-side triangle subunits. Press seams open or to one side. Make 4 TIS-sides medium subunits.

Block Quarter Subunit: Arrange TIS-Sides, HST and Four Patch subunits as shown. Stitch the dark TIS-Sides and Four Patch subunit together. Stitch HST and medium TIS-Sides subunits together. Press seams open or to one side. Stitch the two units together into the quarter block matching subunit seams as shown. Make four quarters exactly alike. Press seams open or to one side.

Assemble Block: Arrange the block quarters as shown. Stitch two quarters together to make two rows of the block. Stitch the two rows together, matching subunits, into a completed block. Press seams open or to one side.
