Block Assembly Instructions

HST Subunits: Stitch a light and a color Shape 5 HST together as shown. Press seams open or to one side. Make 12 HSTs in the color combination shown.

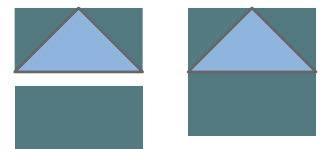

HST-Square Subunits: Stitch 2 Shape 5 HST subunits on either side of a square as shown. Make four HST-Square-HST subunits.

Stitch a Shape 2 Square and a Shape 5 HST together as shown. Make four HST-Square subunits.

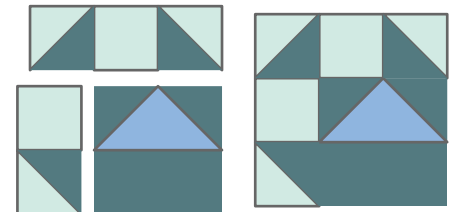

Flying Geese - Rectangle Subunits: Stitch one Shape 5 HST and one Shape 4 QST together as shown. Press seam open or to one side. Stitch a Shape 5 HST to the other side of the Shape 4 QST as shown. Press seam open or to one side. This completes one Flying Geese subunit. Make 4 Flying Geese subunits.

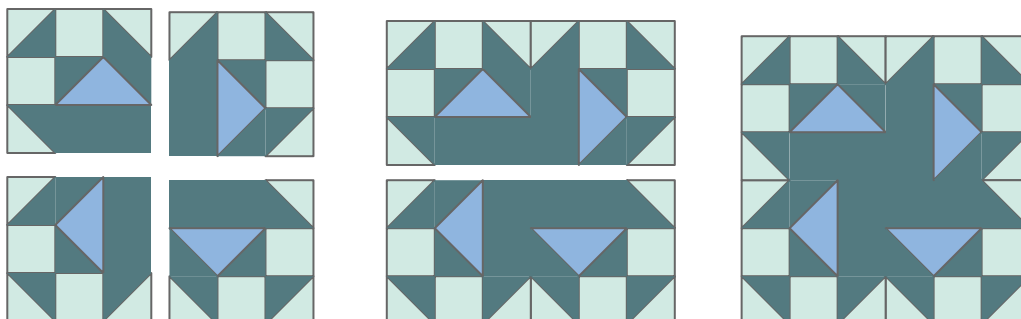

Stitch the Shape 8 rectangle to the Flying Geese as shown. Press seams open or to one side. Make four Flying Geese - Rectangle subunits.

Block Quarter Subunit: Arrange HST-Square-HST and HST-Square subunits and the Flying Geese-Rectangle subunits together as shown. Stitch HST-Square subunit to the Flying Geese-Rectangle subunit. Then stitch the HST-Square-HST subunit to the HST-Square-Flying Geese-Rectangle subunit. Press seams open or to one side. Make four quarters exactly alike.

Assemble Block: Arrange the block quarters as shown. Stitch two quarters together to make two rows of the block. Stitch the two rows together, matching subunits, into a completed block. Press seams open or to one side.
