

2023 Spring QUBE QAL

Road to Oklahoma Block 2: Cutting and Construction

Instructions for cutting and sewing are given for one block. All seams are 1/4". Press seams open or to one side. Make 8 blocks.

For 8 blocks:

- Background Fabric:
 - Shape 2—Cut 48
 - Shape 5—Cut 32
- Focus Color Fabric
 - Shape 2—Cut 32
- Accent Color Fabric
 - Shape 2—Cut 16
 - Shape 5—Cut 32

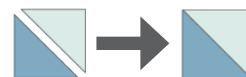

Step 1 - Four-Patch Subunits: Stitch a background fabric and a Focus color Shape 2 Square together as shown to make a two-patch subunit. Make 4 two-patch subunits.

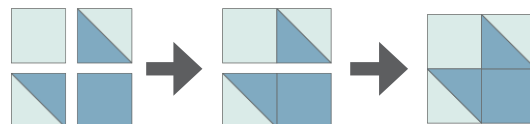

Arrange 2 two-patch subunits as shown and stitch together to make a four-patch subunit. Make 2 four-patch subunits for each block.

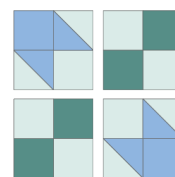

Step 2 - HST subunits: Stitch a background and an accent color Shape 5 Half Square Triangle (HST) together as shown. Make 4 background and accent color Shape 5 HSTs.

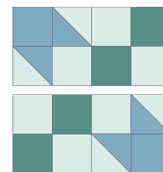

Arrange two Shape 5 HSTs, one background and one accent color Shape 2 squares as shown and stitch together. This makes one HST subunit. Make 2 HST subunits for each block.

Step 3 - Assemble Block: Arrange 2 four-patch subunits and 2 HST subunits as shown.

Stitch a four-patch subunit and a HST subunit together as shown to make a half block unit.

Stitch the two half block units together as shown to make a Road to Oklahoma block.

Make 8 Road to Oklahoma Blocks.
