

2023 Spring QUBE QAL

Pinwheel Star Block 5: Cutting and Construction

Instructions for cutting and sewing are given for one block. All seams are 1/4". Press seams open or to one side. Make 4 blocks.

For 4 blocks:

Background Fabric:

Shape 2—Cut 16

Shape 4—Cut 16

Shape 5—Cut 16

Accent Color Fabric

Shape 5—Cut 48

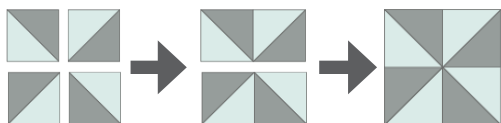

Step 1 - Pinwheel Subunit: Stitch a light and a Accent color Shape 5 HST together as shown.

Make 4 Shape 5 HSTs.

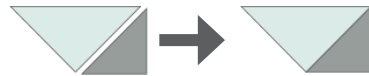

Arrange Shape 5 HSTs as shown and stitch together make a pinwheel subunit.

Make one pinwheel subunit for each block.

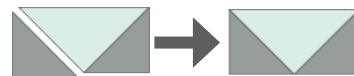

Step 2 - Flying Geese Subunits: Stitch a Accent Color Shape 5 HST to one side of the background Shape 4 QST.

Stitch a Accent Color Shape 5 HST to the opposite side of the Shape 4 QST.

Make four Flying Geese subunits.

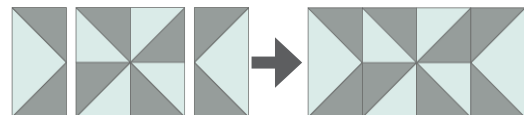

Step 3 - Assemble Block: Arrange a Flying Geese subunit and two Shape 2 background squares as shown and sew together to make a top and a bottom row of the block.

Make two—a top and a bottom row

Arrange two Flying Geese subunits and the pinwheel subunit as shown and sew together to make the center row of the block.

Make one center row

Arrange the top, center, and bottom rows as shown. Sew together to make a pinwheel star block.

Make 4 pinwheel star blocks.
